Foreword

THIRTIETH ANNIVERSARY

This year marks the thirtieth year of publication for our yearbook. Hence, it is with much satisfaction and pride that we have chosen as the theme of this 1953 BREIDLIN—"Thirtieth Anniversary." This year's BREIDLIN when contrasted with the 1923 "first edition" has changed greatly in appearance, but the reasons for its existence are still much the same.

It is interesting to trace the development of yearbooks through the years. It was at the turn of the century that the earliest books made their appearances to replace the hand-made scrapbooks of individual students. By 1915, the yearbook had acquired a somewhat fixed form. Photographs of students, classes, sports, and activities, together with a few write-ups, were included within its cover. The early "twenties" witnessed a change to elaborate over-illustrated books. This was the time our first BREIDLIN made its debut. That was in 1923.

About 1930 the yearbook with a "theme" appeared. The theme-approach gave unity to each publication and if not over-done marked a great improvement. Gradually, the yearbooks became more than a book for seniors; they contained material and information which appealed to the whole school.

As school-teaching and customs change, a book must change, too. When contrasting that first BREIDLIN, which was named in honor of Mr. BREIDinger (who for more than 30 years was principal of Coughlin) with the present one a definite visible change can readily be seen. The early book was bound in a paper cover—whereas, the most recent one is bound by a hard, embossed, padded one.

The pictures in recent editions have been arranged in a more varied pattern. All have been placed under four main divisions. A patrons' list, introduced last year, replaced advertisements. Changes have been many. But, the real reasons for the BREIDLIN'S existence have not changed. The BREIDLIN has been and will always remain a treasure chest of priceless memories—a cherished possession of each Coughlin student.

Alma Mater

Bessie Stella Jones, '07

*Hail! to Coughlin, Alma Mater,
Stepping stone to fame,
For the student and the athlete
With his zeal aflame.*

Chorus

*Winning in the field and forum,
Keep the goal in view;
Shout in chorus for our banner,
Wave the Red and Blue.*

*Pleasant memories cluster 'round it,
Of its prestige proud,
While the promise of the future,
Beams through every cloud.*

*When life's noontime joy has vanished,
Lost in reverie,
Like the glory of the sunset
School-day dreams we see.*

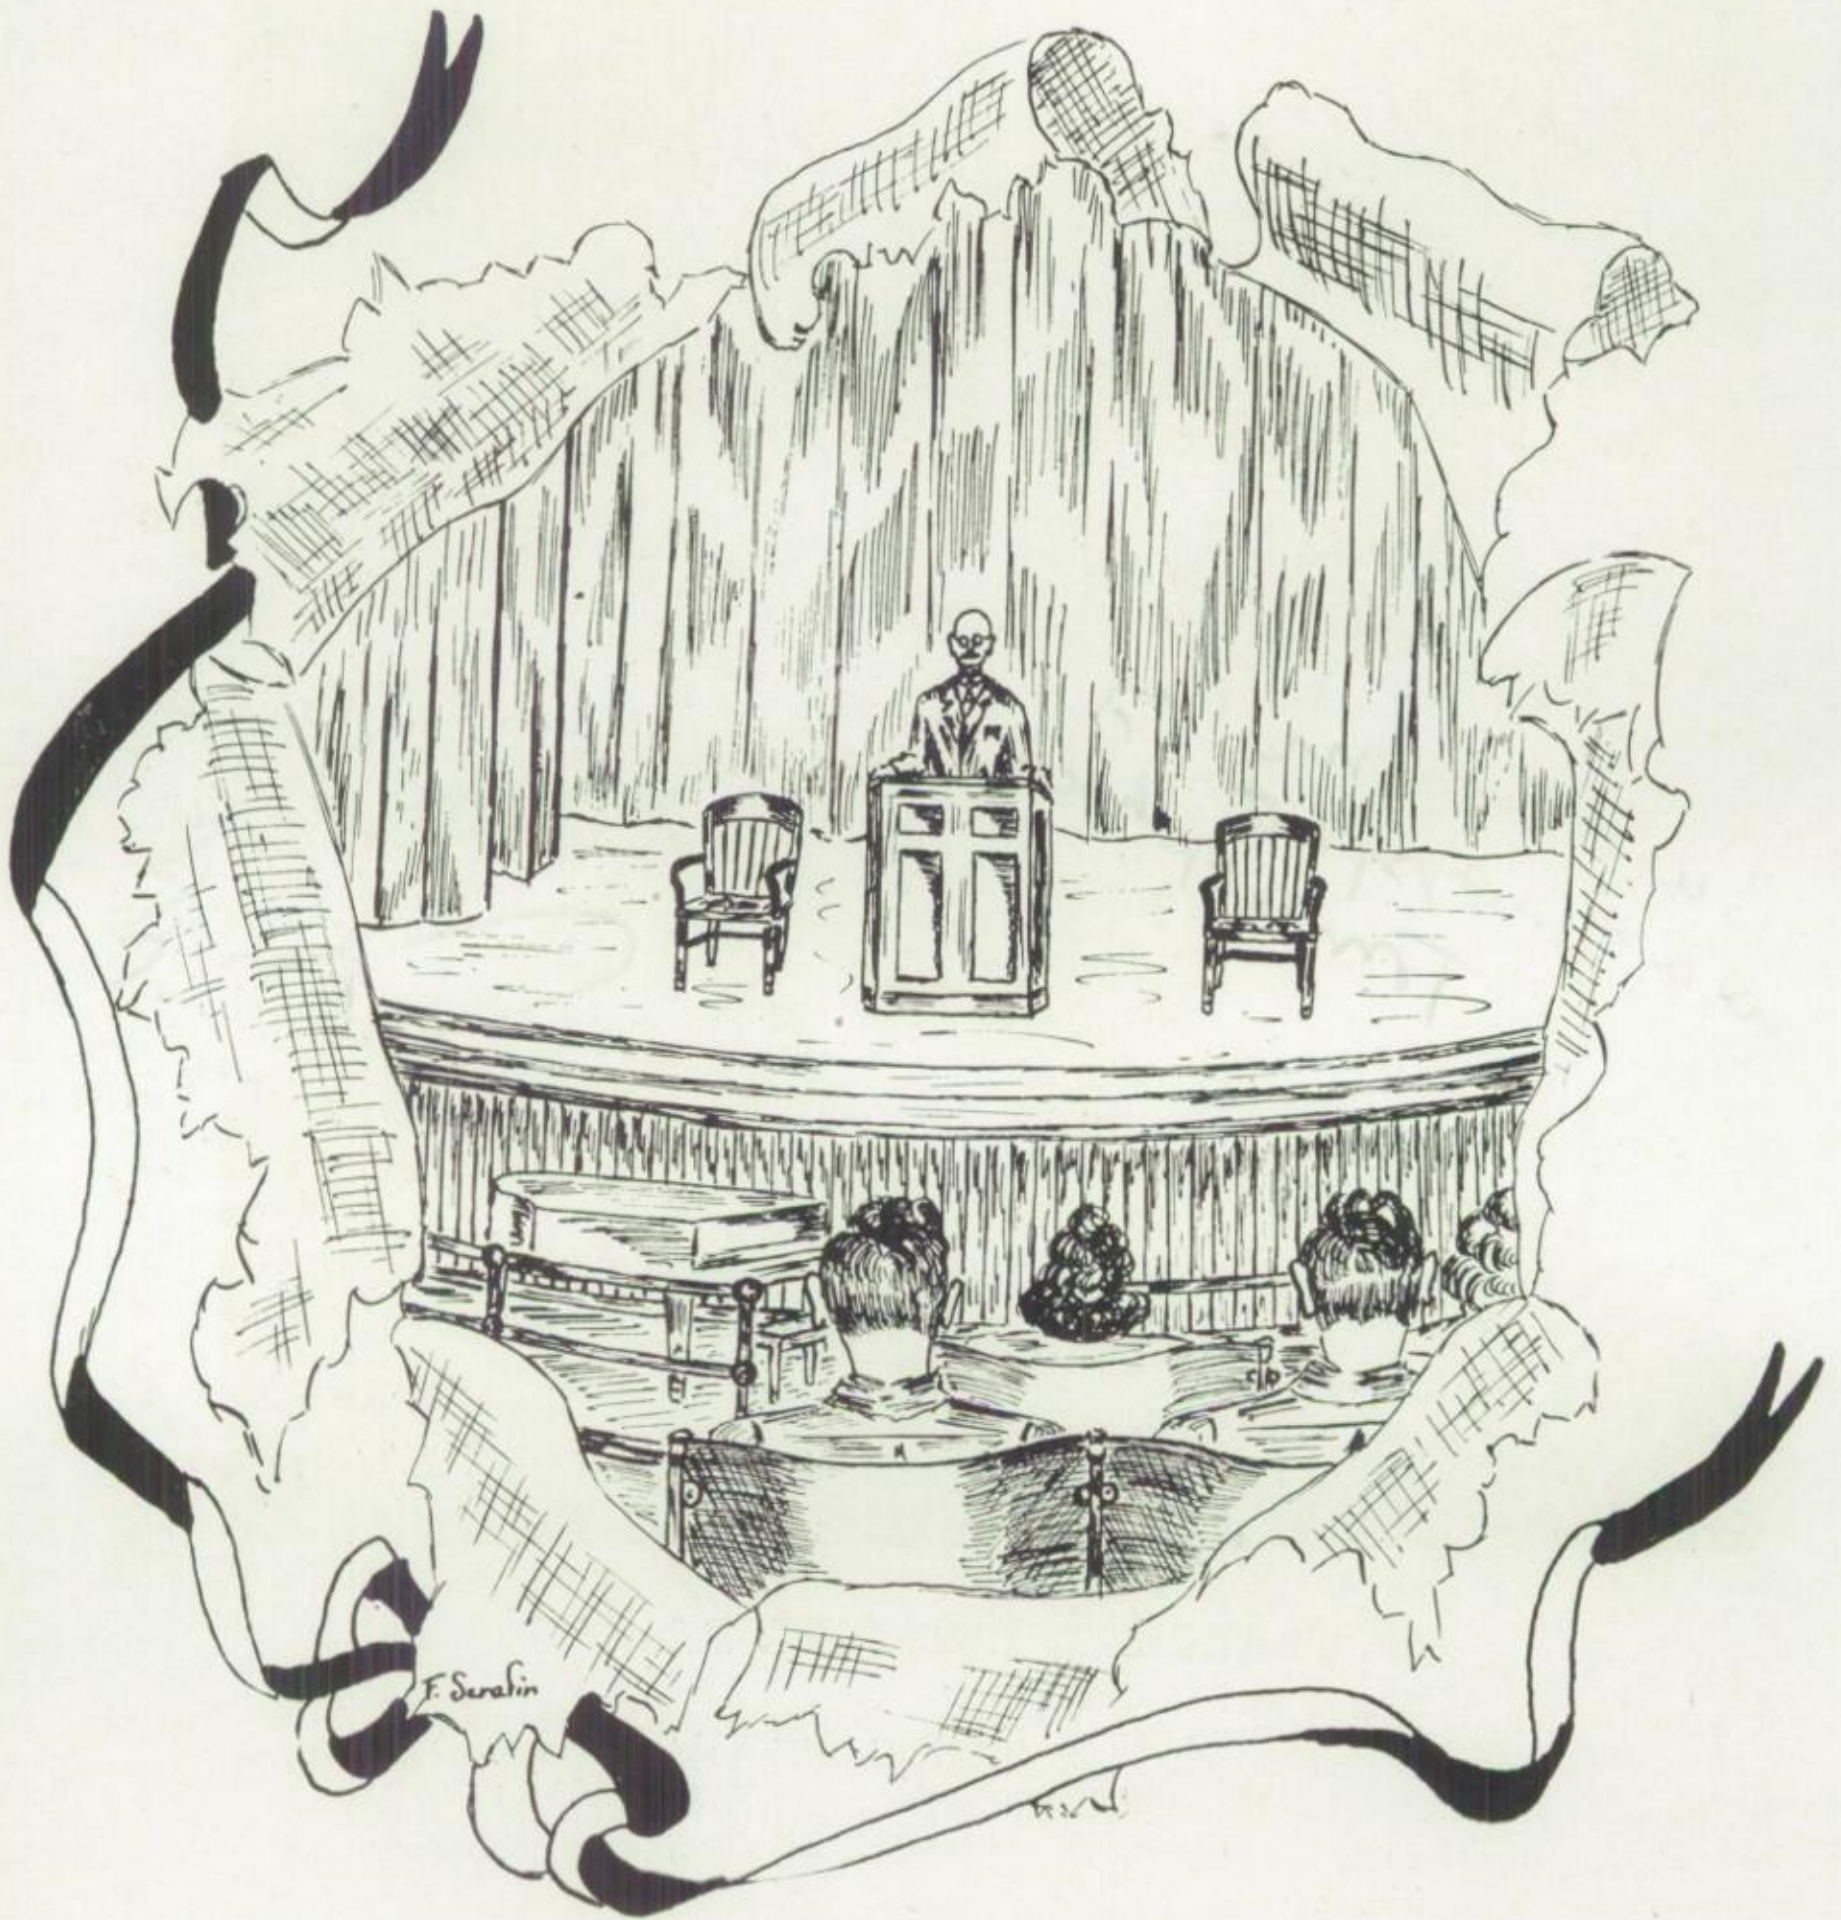

Dedication

MR. FRANCIS T. TRUSCOTT. Principal

We, the students of Coughlin High School, wish to dedicate this "thirtieth anniversary" issue of the BREIDLIN to Mr. Francis T. Truscott, principal, who has won our sincere respect, admiration, and affection as administrator, adviser, and friend.

Student activities have always been given a prominent place in the BREIDLIN. But, what of our faculty? What are some of their activities? Would you like to know?

The answer is, most emphatically, "Yes!" Most of us know about the workshops organized under the direction of the Wilkes-Barre Educational Association. Here are discussed mutual educational problems and improvements in teaching techniques. Last fall the W.-B. E. A. planned a day called Business-Industrial-Education Day, when teachers toured Wyoming Valley Industries. Future plans are to have leaders of industries visit schools.

Departmental meetings, during which supervisors hold discussions with the teachers, are held at the supervisors' discretion.

Many of our teachers are taking extension courses in evening or summer schools and are working for advanced degrees or improvement in their teaching techniques.

And, of course, social gatherings cannot be omitted from any list of activities. The men of the faculty hold monthly meetings; and frequent "socials" are held by the women. The annual Faculty Dinner provided an exciting climax for the year, a year packed full of hard work, struggles to attain higher goals, and fun!

CLASSES

National Honor Society

Thirty years ago a group of seniors, of the Class of '23, were selected as members of the Coughlin Chapter of the National Honor Society. It was a great honor for the students of thirty years ago as it is for the seniors of 1953 to become members of this national honorary scholastic society.

These forty-two seniors have been awarded the National Honor Society pin, with its lighted torch of knowledge, which may be worn with pride. A fine school tradition has been continued by the Class of '53.

Open Letter To The Class of '53

This year 1953 will mark the culmination of your hopes and desires of the last few years. You will have many milestones in your life, but none that will have quite the importance of your graduation from high school.

You are graduating from a school that is rich in history and has in itself marked many milestones in its long career. Two significant ones have been the first publications of the JOURNAL in 1893 and that of the BREIDLIN in 1923.

Rich in traditions and high in prestige, Coughlin has graduated almost eight thousand young men and women. Many of these have left to win fame and honor in various fields of endeavor. If we were to examine the lives of these men and women, we would find that those who achieved success started their careers with a definite purpose or goal in mind. So it will be with you. To achieve success you will need a definite aim in life. You will also need strength of character to overcome the disappointments, the discouragements, and the setbacks that every individual encounters.

We, at Coughlin, hope that your training here will assist you in reaching your goal. Our best wishes go with you as you go your separate ways in life.

May God be with you—Class of '53 as you become alumni of Coughlin High School. May success crown your every endeavor.

Sincerely,

Francis T. Truscott

Class Song

By Phyllis Saporito, '53

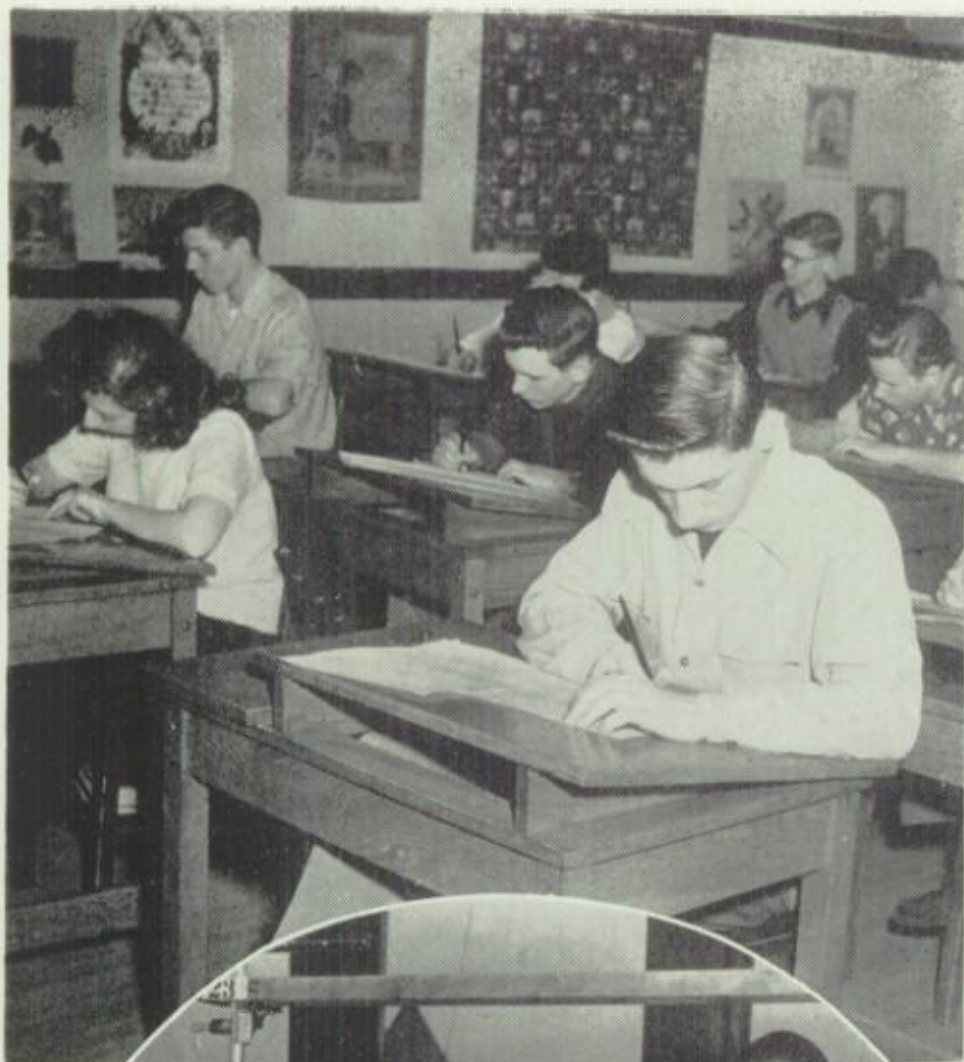

TUNE: "Pretend"

*Dear Coughlin High, we came to you
As freshmen—met a challenge new;
Through you we learned to honor, love, respect
Our friends and teachers, too,
And in these fun-filled years we gained
A knowledge long to be sustained.
Such happy days with such delightful friends—
Too soon this gladness ends.*

*As we combined our work with play,
A new-found joy was ours each day.
These days flew into years, and then we knew
We'd soon be leaving you.
And, what-so-ever futures hold,
Success wil come from days of old—
From days spent here with you, our friend, our
guide,
We'll speak your name with pride.*

Chorus:

*While here, we've shared happy hours
With friends both thoughtful and true,
Now priceless mem'ries are ours—
These pleasant years with you.*

Commencement-June '52

On June 12, 1952, Dr. Raymond Kistler in his address to the graduates said commencement is not the end of learning, but rather the beginning. The seniors of '52 listened intently to his words; then proudly received their diplomas and faced the future confident and certain that they were just beginning another phase of life's experience.

The BREIDLIN has recorded this memorable moment, just as it has preserved other memories of our life at Coughlin, and will preserve the Commencement of 1954 in a future edition. Through the years our BREIDLIN will become more valuable to us and bring to mind pleasant recollections of almost forgotten times, places, and friends.

Juniors

As the day marking "one-year-to-graduation" loomed ahead, the joyful shouting and frolicking of members of the junior class echoed through the halls as they went from class to class.

These juniors, though they protested against studying, were represented in practically every club and each event held during the year. Cheerleaders, majorettes, football, basketball, and baseball players, and strutters emerged from enthusiastic homerooms.

For their hard work, forty-four juniors received the highest honor bestowed upon the

class. The first event at which these Junior Ushers were allowed to serve was the Senior Play. And quite a fashion parade they formed as they greeted and graciously ushered their friends and families to their places.

Having secured their drivers' licenses, many members of the driver-education classes can often be seen stalling their Dad's cars, or in some cases, their own.

And with all this, STUDY they did; for only by passing their courses could they hope to become seniors and the leaders of the school.

Sophomores

Sophomores, able to participate in many more activities than they did last year, made their second year in high school a most pleasant one. Throughout this year they developed new skills and made themselves generally smarter.

The carpenters of woodshop and the electricians from electric shop consider themselves quite skilful. The second year language students are happy about their ease in using foreign languages (or, perhaps, happy the two years are over). The second year A2 B2 students are beginning to see the light.

One of the most interesting classes for the boys was hygiene with Mr. Pendergast. Every boy will tell you he really enjoyed the bandaging in First Aid. Biology was also a popular subject among sophomores. Mr. Ruddy had several live snakes which greatly interested his students—EVEN a few of the girls!

The boys became a bit squirmy every period when the clock showed "five of." You see, the girls were leaving to go swimming. All sophomore girls enjoy swimming.

Probably the most delightful part of being a sophomore was looking down at the freshmen. Another more important one was the feeling of being more grown up and more responsible to our school.

Seventh and Eighth Grades

Our Junior High can boast of a very active and interested group of students.

There is no limit to the musical talent displayed by the Junior High Orchestras, under the supervision of Mr. Clyde Owen. They have played before various organizations in our community and have been highly praised for their splendid work.

The Junior High Chorus, directed by Mrs. Payne, rendered many pleasing vocal selections at their Spring Concert. This group of boys and girls devoted many hours of practice to bring us such fine music.

Mrs. Silvany's Pen Pal Club cannot be overlooked for it brought our seventh grade students into contact with boys and girls all over the world. This club helped to strengthen ties between American youth and the youth of other countries.

Athletics played a big part in the Junior High program. An ardent group of ninth graders made up our freshman Basketball Team. Mr. Payne is getting these boys in shape for our future varsity team. Let's "take off our hats" to Junior High!

The BOARD OF PUBLICATIONS takes pride and pleasure each year in publishing the BREIDLIN, our yearbook, and the JOURNAL—our magazine.

The board is directed by Mrs. Margaret R. Evans. Throughout the years, the Staff has established and maintained high standards of excellence. This could not have been unless all work was done exactly. Only members of the Staff can realize fully the amount of work required to publish a yearbook and a magazine worth reading. Through the years we

have tried to retain the best ideas, both old and new, and to put these ideas into the planning of the book and magazine.

Art work is done by members of the Art Staff.

Besides editorial work, there are many other duties to be performed: The Typing Staff works many long hours preparing material for the printer. The Mimeograph Staff prepares all announcements for the school. Another industrious and essential group is the Business Staff, directed by Mr. Arthur Booth.

Senior-Junior Outing

Coughlin High School held its annual Senior-Junior Outing on Wednesday, June 4, 1952.

The great day began at 5:45 A. M., when a large group of students left Wilkes-Barre by special train. The first stop was Philadelphia, where the students were taken on a tour of historic spots. We were thrilled to see the Liberty Bell, and the Declaration of Independence in Independence Hall. Then, special buses took the group to a river dock where they boarded the "S. S. Washington." The boat traveled up the Delaware River until 4:00 P. M., when it docked at Riverview Park, in New Jersey. Here the group spent an enjoyable hour.

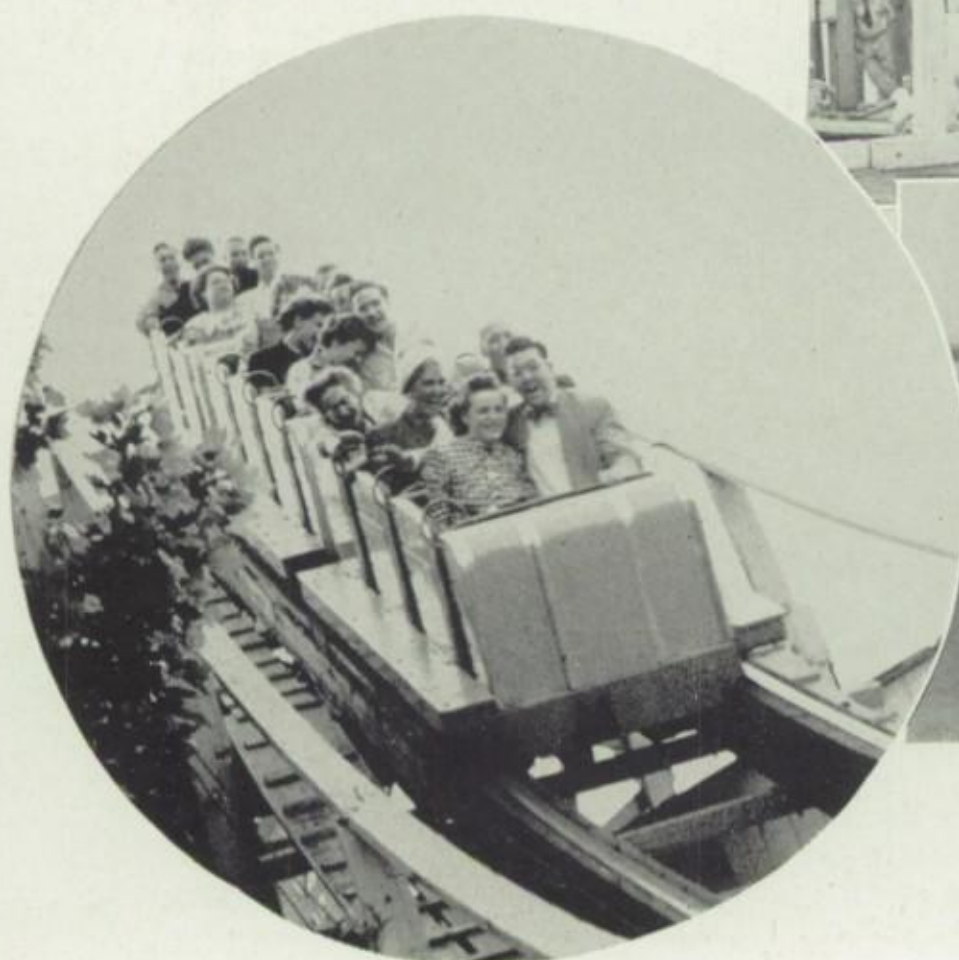

The boat then circled down river to Philadelphia, where the buses waited to transport the students to their train. We had a wonderful trip, and everyone reached home tired but happy.

The Speakers flocked out of the Journal Room on Journal Day, each going to his assigned homeroom. But this year, as last, along with his subscription lists and tags, each carried a pile of ballots.

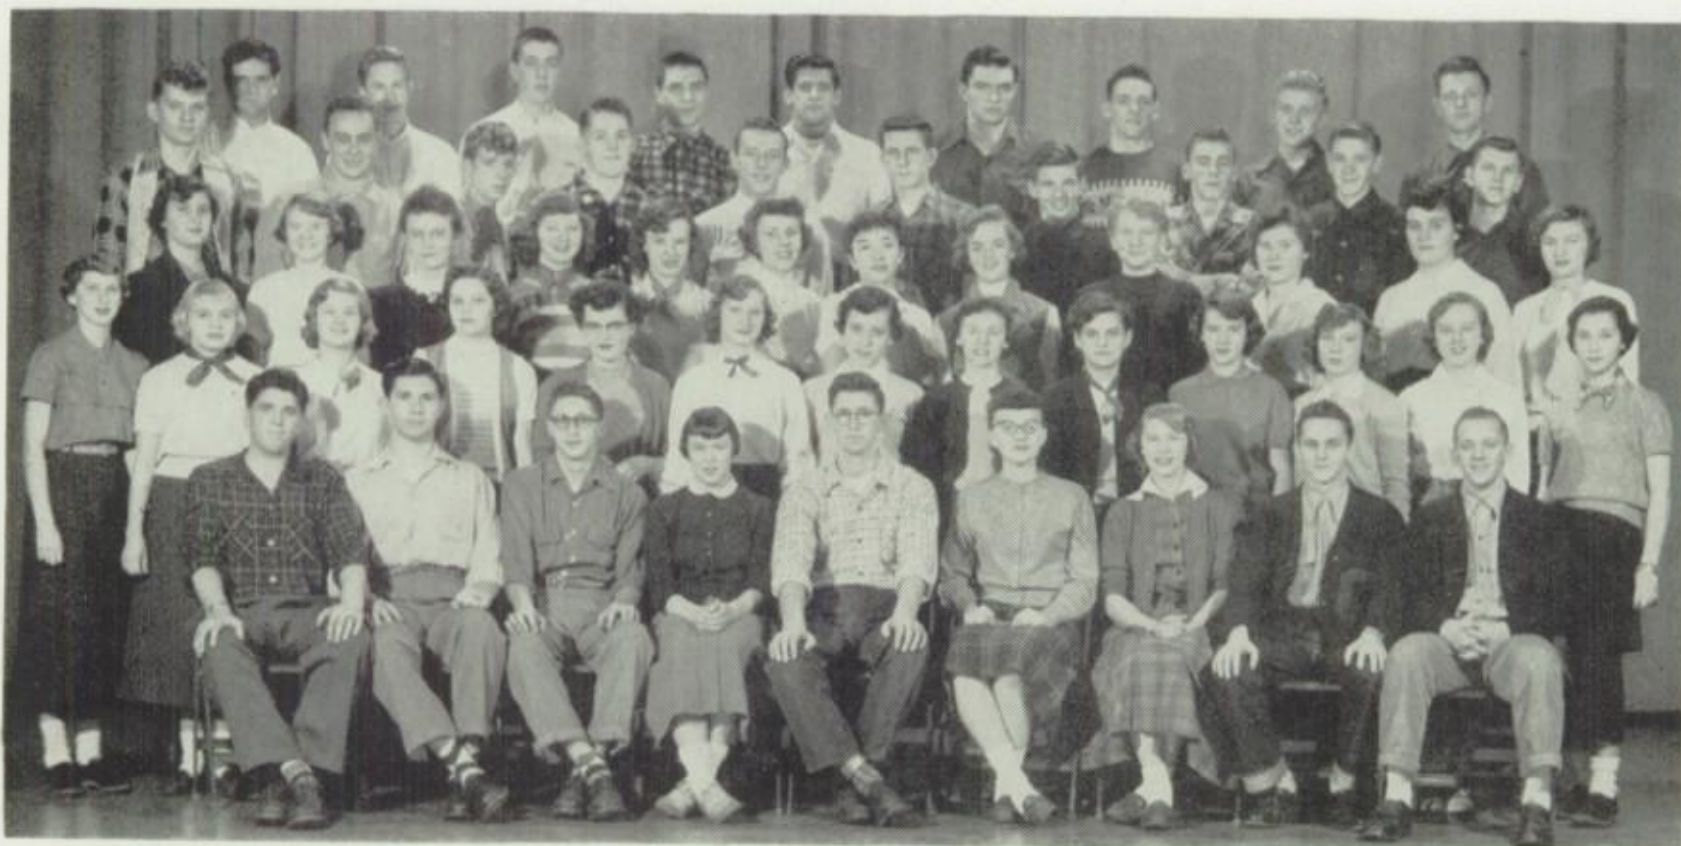

After taking the votes of the students, back they went and deposited these ballots in the Journal Room for the staff members to count. Tension mounted all through the school as the votes were counted!

When the results were announced, excited voices rang throughout the school; and this year, also, there were many approving nods. The new cover idea again had proved itself a success.

Ungvarsky.

"Wasn't it wonderful?"

"It certainly was! One second I was laughing; and, the next I was crying. They certainly tugged at my heart-strings."

That was just one example of what was said after the MASQUERS presentation of "Stage Door." And, although the JOURNAL and BREIDLIN skits and Chapel Programs were of a different order, everyone made the same sort of favorable comment. MASQUERS success is due largely to the expert direction of Miss Myvanwy Williams.

"Golly! I must have a copy!" That's what everyone said after hearing them "speak the speech" during the JOURNAL campaign.

Our SPEAKERS were very talented. In fact, they had a wonderful "line."

Their speeches, during the BREIDLIN campaign, helped make Subscription Day a success.

This club with its adviser, Miss Rita Carlin, performed important services to the school.

"STAGE DOOR" SUCCESSFULLY PRESENTED BY SENIORS

"Glad to meet you, young man!"

Open doors and open hearts welcomed the unforgettable performance of "Stage Door" which was presented with skill by members of the Class of '53. This entertaining play sparkled with passages of rare humor, shared with the audience by the girls of the Footlights Club located somewhere in the West Fifties of New York City. An unusually large cast brilliantly interpreted the reactions of a group of young girls who faced many difficult problems as they climbed the ladder of fame and success.

The fact that nothing is impossible if you strive hard enough was proved as Terry Randall reached the top by overcoming all obstacles on her way to success.

The play will long be remembered as one of the best the school has ever had; but, without the superb supervision of Miss Myvanwy Williams, the cooperation of the cast, the necessary lights and properties furnished by the student staff, and the help of the faculty advisers, the play would not have been such a super-colossal success! It was a fine experience for cast and audience.

The membership of the KEY CLUB is composed of boys in the tenth, eleventh, and twelfth grades. This year they enjoyed field trips to various industries. Two of these were to visit J. B. Carr, Inc. and Woodlawn Dairy. In March, they joined with the Y-Teens and Hi-Y, to present a very successful minstrel. On May 12 they held a very pleasant Mother's Day luncheon. KEY CLUB is a "junior" Kiwanis.

The GIRLS' ATHLETIC ASSOCIATION, better known as the G. A. A. to Coughlin students, is composed of all junior and senior girls who participate in any sport. Again this year, this organization has sponsored four school dances. These two clubs also are to be complimented on the beautiful decorating they did at Christmas. The G. A. A. also gave a Hallowe'en Party for the freshman girls.

Do you like amateur shows, quiz contests, weiner roasts, and initiations with zany things for new members to do? All these and many more happened at the FRENCH and GERMAN CLUBS' meetings this year. Both of these clubs have come a great distance since their organization at Coughlin. The GERMAN CLUB, advised by Mr. Riemensnyder, and FRENCH CLUB, by Miss McHugh, have awarded pins to the best students of first-second-third year classes. The FRENCH CLUB also awarded this year a prize to the student in the second year with the best sketch book on history, customs, and studies of the French language. Both clubs also have participated in a joint meeting and dance which all the modern language clubs attended. The GERMAN and FRENCH CLUBS have been of service to the school and each has a purpose for its organization. "The French is to promote interest in the French people and enliven the study of French," and the German is "to increase student knowledge of the German people and their language."

Choir carols at Court House

"Like a choir of angels, sweetly singing through the air," is both the first line of a theme song and a description of our A CAPPELLA CHOIR. This talented choral group, under the direction of Miss Arline Weiss, has enjoyed giving concerts which brought the sick strength, the old youth, and the young dreams. Yes, the A CAPPELLA is well known throughout Wyoming Valley for its perfect harmony and variety of selections. Both the students and Miss Weiss give up their spare time to train for various occasions which include chapel programs, entertainments at hospitals and homes for the aged, and their annual appearance at the Court House. All work and no play makes one dull, so the members of the choir sponsor social activities, such as weiner roasts.

On the other hand, the fact that good things can come in big packages is proved by our JUNIOR CHOIR which is under the direction of Mrs. Payne. Like the A Cappella, the younger group is noted for its very entertaining performances which are accomplished through the practice of the youngsters and the patience of Mrs. Payne. Yes, Coughlin enjoys the musical talent of these two wonderful organizations.

Miss Carlin advises Spanish Club

The LATIN CLUB got into the swing of things by admitting and initiating new members. The evening was complete with a typical Roman trial. A wiener roast at Shiel's Grove came later. At one of the monthly meetings, the club sponsored a Freshman Vocabulary Contest. The juniors, who studied Cicero this year, visited the Court House and observed the Latin techniques used in the courtroom. This successful year was concluded with a banquet.

The SPANISH CLUB also began by enrolling and initiating new members. During the Christmas season "Les Espanols" enjoyed a party and were hosts to the other language clubs. At a monthly meeting three guests spoke of the customs and education of the people of Peru, Puerto Rico, and Venezuela. Several exciting Spanish-American dances were performed. A year filled with activity ended with a banquet.

The Spanish Club is under the direction of Miss Carlin, and the adviser of Comites Latini is Miss Wagner.

Y-Teen Minstrels

"Wow, look at all these beautiful girls;" was a comment overheard at the Y-Teens Snowball Prom. Well, not only are these girls beautiful, but they are also members of the Y-TEENS, a prominent organization represented in high schools throughout Wyoming Valley. The high aims of Y-Teens are to build good citizens and mold fine character. The club is sponsored by the Y.W.C.A. At Coughlin the girls enjoy the leadership of Miss Eva Dixon and hold the honor of belonging to one of the largest groups found among the schools. The girls have had numerous social events which included the annual weiner roast, a trip to Hershey, and a joint banquet meeting with the Key Club and Hi-Y. The girls, with the aid of a few boys as endmen, staged a hilarious minstrel. Along with fun, however, the club still finds ample time to take part in more serious community projects. This year the Y-Teens have made party favors for sick children, prepared boxes containing little gifts for children abroad, and have given a party for boys and girls from the Kirby Health Center.

The CHEERLEADERS, under the direction of Mr. Hensley, represented the Red and Blue at all the football games and basketball games and did a fine job of leading the spectators in cheering routines.

The STRUTTERS, instructed by Mrs. Dougher, marched at all "home" football games displaying uniformed color and form for C. H. S.

Coughlin High's high stepping MAJORETTES did a fine job of entertaining at all the football games this season. Their gay uniforms, wonderful twirling were an inspiring phase of each football game. Patsy Shedlock deserves special mention for nine years' performance as a majorette. Nine years? She was a mascot before she entered high school!

Crusaders Had Great Gridiron Season

Now, coach?

Coughlin began the 1952 football season with a bang, toppling the Plains Red Raiders, 13 to 0.

Coughlin, scoring in every period, staged an impressive victory over Luzerne and won by a score of 38 to 0.

Coughlin and Plymouth battled to a 7 to 7 tie at Huber Stadium, Plymouth. Early in the first quarter the Crusaders marched fifty-five yards downfield, where Andy Firda took the ball over from the 14. Ed Dzanis kicked the

extra point. However, Plymouth came back stubbornly to complete a touchdown pass. Plymouth's extra point was also good, so the contest ended with the score tied, 7 to 7.

The Crusaders went down to defeat for the first time in the season when they were beaten by the Newport Nutcrackers, 12 to 0.

Coughlin walloped Nanticoke at Meyers Stadium, 25 to 0. The Crusaders scored in every period. Andy Firda made two touchdowns while Ed Dzanis and Yudiski each made one.

The Crusaders whipped the favored Meyers Team, 13 to 0. Coughlin scored in the third and fourth quarters, but only after long drives sparked by Firda and Dzanis.

Coughlin was defeated by G. A. R., 24 to 6. The Crusaders only touchdown resulted when Ed Dzanis picked up a fumbled ball and ran 35 yards for the first goal of the game.

Larksville slashed off well in the second quarter when they scored their only touchdown. However, Firda and Friel both scored in the fourth quarter, while Dzanis made the conversion count.

Probably the most disappointing game of the season came as a result of the Crusader's clash with Kingston. The first three quarters were scoreless, but Kingston gained the ball as a result of Coughlin's fumble, and scored on a pass play. The conversion flopped, but the Crusaders failed to score; and the game ended 6 to 0 in favor of Kingston.

Cagers Win Second

The 1952-53 Coughlin Quintet won three games in the Wyoming Valley Basketball Conference to break a bad luck spell which had plagued them from the preceding year, when not a single League game was taken. Kingston, Hanover, and GAR were the teams which formed the triumvirate that bowed before the Red and Blue for the League victories.

Beginning the exhibition and League games with a slow start, but strong heart, C. H. S. fought its way to second place for the City Championship by defeating GAR.

However, the Coughlin Crusaders were

First row (left to right): Horny, Cherpak, Holthaus, M. Ott, Grasavage, Beidleman, J. Connor, Captain; Leonard, Sokol, Llewellyn, Klitchko. Second row: Godlewski, Gallagher, Nardone, Dancheck, Grenevicki, Ruddy. Third row: Okonski, Manager; Day, Brown, Ritsick, Benkosky, Wojekoski, Darab, Manager; Mr. A. Ruddy, Coach.

downed by the other contender, Meyers High School, for the City Title, when a final score of 63 to 59 ended their hard played tournament.

In one of the fastest and most thrilling cage games of the season GAR was defeated by the Coughlin "5," who barely made off with the honors, by a narrow margin of two points.

A prediction:

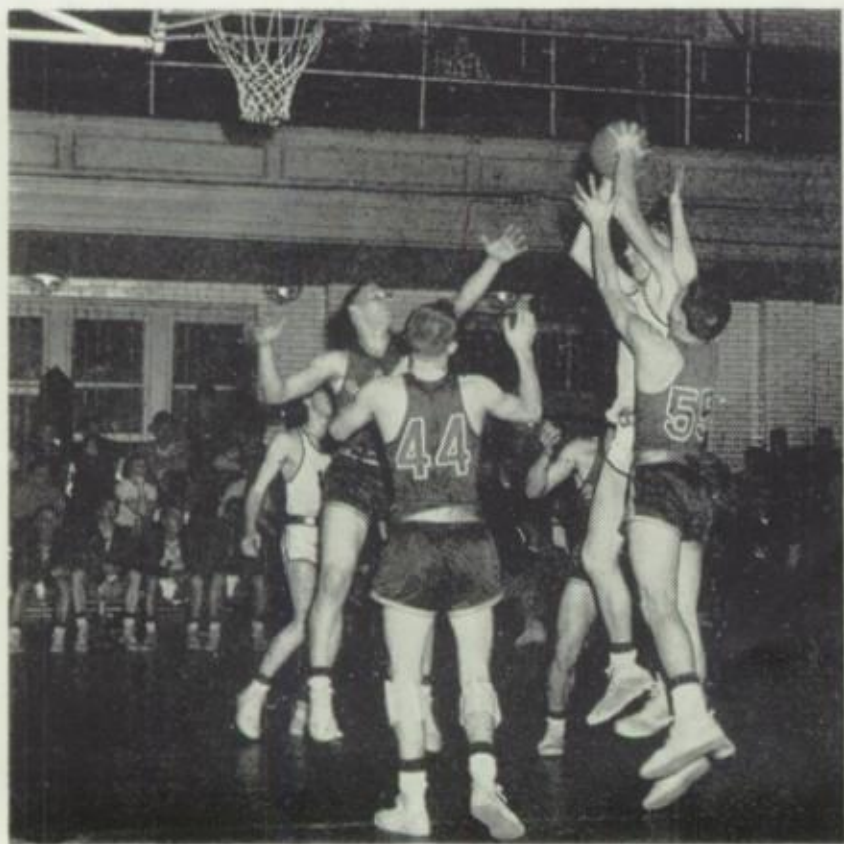

If next year's Coughlin Cage Team plays with the spirit and determination that was the fuel for the "52-53" Quintet, Coach Ruddy will have in the Crusaders a strong contender for first place in the Wyoming Valley League.

Resuming as wrestling coach for the 1953 season, Coach Mayer had three matmen cop first place in the Y. M. C. A. Tournament for novice wrestlers. Victorious grapplers were Carl Nordstrom, 138-pound class, Joe Watchilla, 145-pound class, and Sam Carpenter, in the 185-pound class.

In the opening meet of the season Coughlin toppled G. A. R. in the last bout of the meet, to win 25 to 21. Pauster, Rogan, Thomas, Sammon, Wychock, and Firda turned in wins to pace the team.

The Red and Blue matmen lost a heart-breaker to a powerful Plymouth team by a 25 to 24 score. Rogan, Thomas, Wychock, Sralik, and Carpenter triumphed.

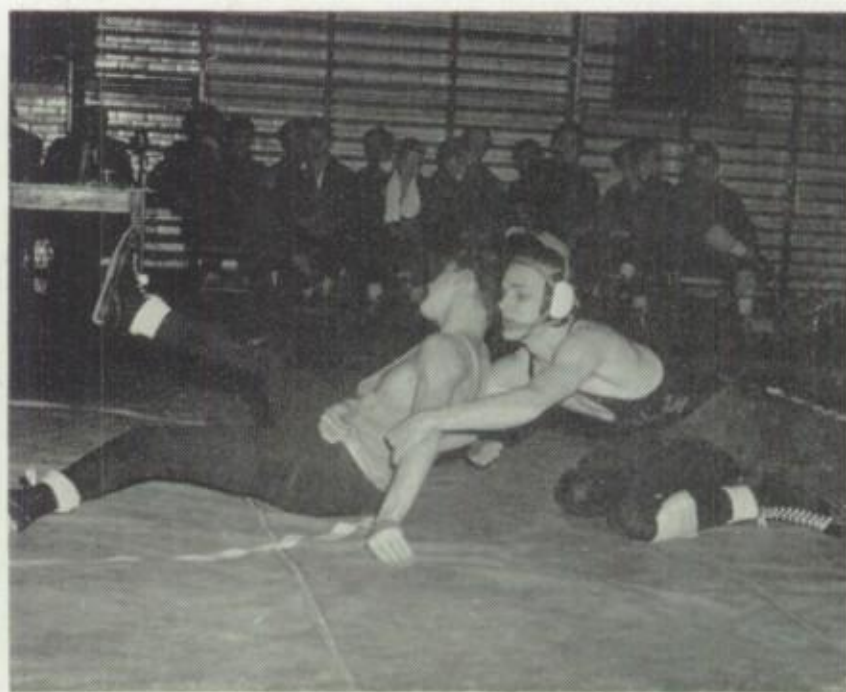

The Crusaders met, and easily trounced Hanover with an impressive win, 34 to 5. C. H. S. winners were Jordan, Williams, Pauster, Rogan, Perry, Dysleski, Sammon, Wychock, and Sralik while Firda fought to a draw.

In the fourth dual meet of the season Coughlin lost a hard fought contest to its arch rival, Kingston, by a score of 23 to 20.

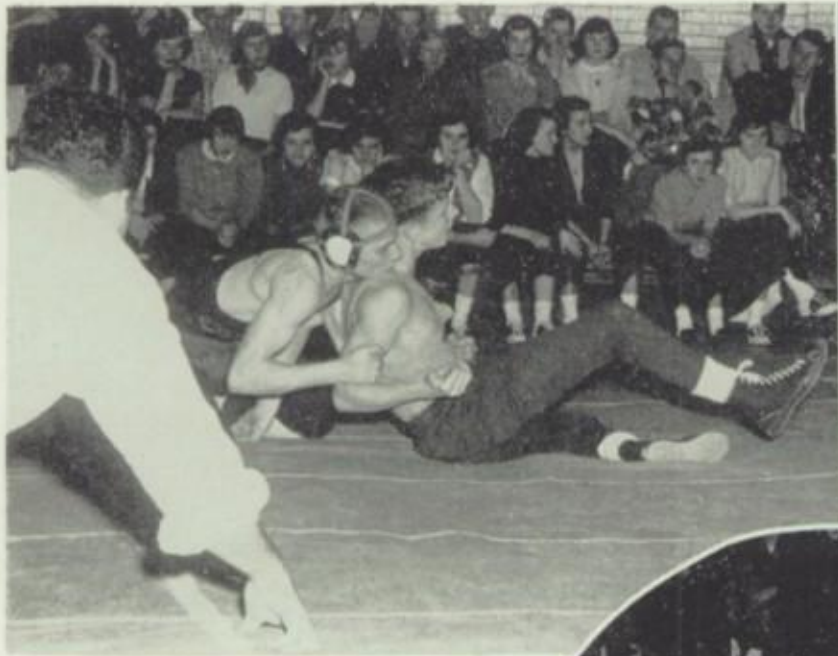

The C. H. S. matmen over-powered Nanticoke by rolling up a 24 to 9 score, with Williams, Polachek, Rogan, Perry, Sammon, Watchilla, Wychock, and Carpenter all winning.

In another close meet the Red and Blue nudged out a strong Meyers squad to win 25 to 23.

Coughlin won the City Championship again by nosing out Meyers 49 to 48. G. A. R. finished third with 11 points.

Mr. Ruddy gives advice

A "dog chase"

To get the 1953 baseball season under way the Coughlin Nine, guided by Mr. A. Ruddy, nipped Exeter, 2 to 1. Ungvarsky provided the lone hit for Coughlin—a single.

In another exhibition game the Crusaders downed Newport, 19 to 10. In hitting, Coughlin really excelled with Sokol hitting two doubles and Rodack smashing a triple.

For the first Wyoming Valley League game Coughlin trounced Meyers, 10 to 0. With Ungvarsky behind the plate Leonard pitched, fanning twelve. Outstanding in hitting was Wychock who had a double and a triple.

Undefeated Hanover gave Coughlin its first setback by a score of 9 to 3. Despite Leonard's efforts on the mound, the Crusaders failed to get started.

In their third exhibition game Coughlin downed Hazleton, 5 to 2. Warnick pitched an excellent game by striking out nine and allowing only three hits.

With Leonard striking out thirteen men Coughlin went ahead to their next win when they defeated Kingston, 5 to 1. Horny and Ungvarsky each had a triple.

Front row (left to right): Macho, Zelinski, Czembrock, Johnson, Kobziewicz, Gripp, Kline, Straub, B. Check. Ruddy, Ritsick, Benkoski, Ott, Dysleski, Tarantini, Coach A. Ruddy.

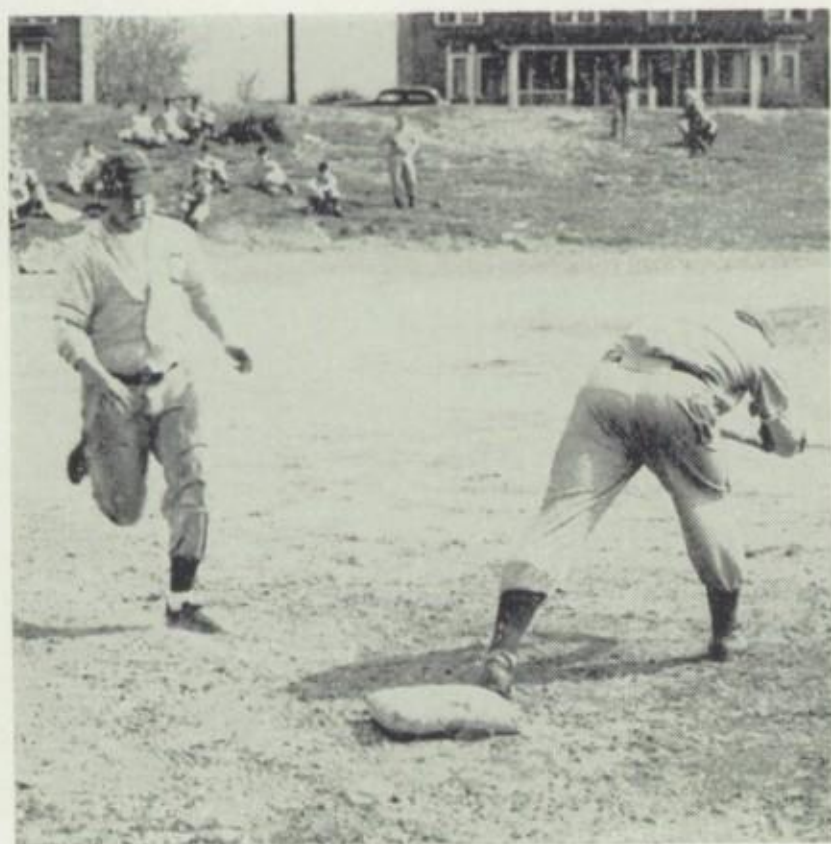

Baseball

The Crusaders strengthened their hopes for a City Championship when they defeated G. A. R., 4 to 3. G. A. R. threatened when they scored three runs in the final inning.

Coughlin next edged out Meyers, 3 to 2. Leonard pitched the game making this his fourth win of the season. Wychock, Cherpak, and Skutch each had a hit.

Track

Mr. Peel coaches Kwak

This year's Track Squad under the capable training of Mr. Joseph Peel had quite a victorious season. The first meet, scheduled with the Kingston Huskies was won by a score of 71 to 56.

At the second meet, the Red and Blue Squad toppled Hanover with a total of 66½

to 60½. Last year the Crusaders edged out Hanover by the very narrow margin of 58 1/10 to 58.

The fighting Red and Blue lashed out once more. This time the target was that team from the southern end of the city, Meyers. The Crusaders overwhelmed Meyers and won a decisive victory, by a score of 81 to 46.

At the final meet, however, the G. A. R. Grenadiers pushed the Crusaders away from victory. As the score mounted, it showed a stunning upset. When the final moments of the meet ran out, the score read 69½ to 57½.

Front row (left to right): Anagnos, Linker, Mariano, Wysocki, Lehet, S. Yudiski, Sammon, Kwak, Teslicko, Friel, Borys, Connor, Murray. Second row: D. Girls' Sports

"A Sport For Every Girl"

Basketball

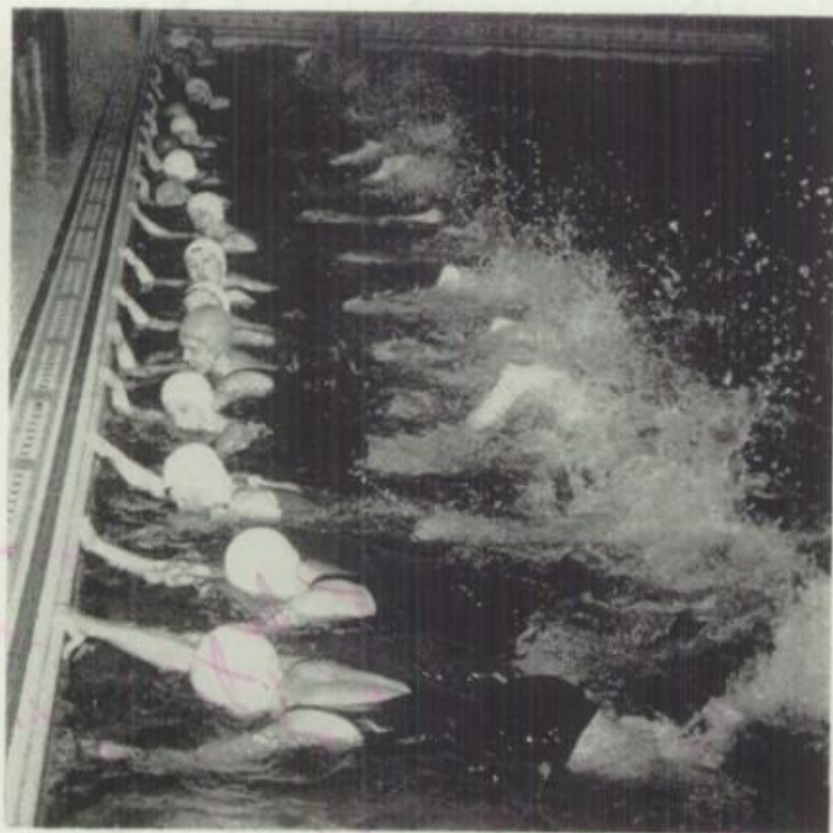

The Girls' Basketball League of Wyoming Valley has grown annually. This year Coughlin played games with Meyers, Kingston, G. A. R., St. Ann's, and Wyoming Seminary. The girls were victorious over St. Ann's, Meyers, and almost toppled Kingston in a thrilling game. Kitty Kelly captained the team and was aided by the sparkling playing of Joanie Smith and Peggy Yale.

Hockey

Hockey is becoming a popular sport here at Coughlin. The team played games with G. A. R., St. Ann's, and Wyoming Seminary; but—not a single victory! However, since this is just an "up-and-coming" sport, we realize that a young team must develop ability and style before taking any championships. Here's wishing them success in '54.

Volley-Ball

This spring a Volley-Ball Team was chosen and many exciting games were played. Volley-Ball is an old and new game here. That is, it has been dormant for some time. With this new start there are sure to be successful games, and many girls will participate in another sport.

Mrs. Dougher shows how

Tumbling

Tumbling is another beginning sport, but it has rolled right up to prime importance. The girls took part in May Day and gave a fine performance, doing forward and backward rolls, headstands, arches, and cartwheels. What control!

Swimming

Swimming has taken a new turn at Coughlin. Miss Dorothy Smith, instructor, has taught all sophomores the rudiments for beginners and for others has offered advanced lessons. The sophomores report each Monday to the Y. W. C. A. pool instead of having the usual hygiene lesson with Miss Smith.

Are you aware of the terrific Boys' and Girls' Bowling Clubs that Coughlin has produced? You aren't? Then you should have walked past the Eagles Alleys some Wednesday or Thursday afternoon to see for yourself what fine groups we have had.

These students are under the supervision of Mr. Henry Booth and Miss Tuhy, respectively.

To be sure, the students find a great deal of pleasure in this favorite indoor sport. And, they still keep their goals in view. And what are they? The girls award a pin to the beginner, individual, and team maintaining the highest averages, while a cash award is presented to the boys having the highest yearly average and highest score for a single game.
